**NARRATIVE:**

Omar Sullivan is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include robbery, multiple burglaries, domestic violence on spouse or cohabitant, possession of narcotic controlled substances for sale, disturbing the peace, multiple battery charges, violation of parole, trespassing, possession of narcotic controlled substances, petty theft, and failing to report. He has served multiple state prison terms the longest a 3 year term for burglary. Sullivan was released from state prison to the supervision of the Los Angeles County Probation Department on January 1, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2014 after he absconded from post release community supervision (PRCS). Sullivan qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
